

The E-LIFE Plan of Salvation

On the following page is an acrostic the E-LIFE Kids should memorize and use when witnessing to other students—in this context referred to as sharing “The Story” of Christ. As a coach, help the E-LIFE Kids memorize the Scripture verses, and rehearse the E-LIFE Plan application often so they can comfortably share the plan of salvation with other children. If possible, obtain the E-LIFE Witnessing Tool (item 19-7913) through Gospel Publishing House to further enable the students to share their faith with others.

When practicing with your students how to share the E-LIFE Plan (the plan of salvation) with other students, use this “3-D” approach:

GO 3-D

- D**ISCUSS with your friend what God is saying to do in His Word, the Bible.
- D**O what God is saying to do (obedience) in His Word by giving your life to Jesus this very moment.
- D**UPLICATE yourself by helping other students learn how to become E-LIFE Kids and to live for Jesus.
