NOTE: The Latin America and the Caribbean region choose to use the majority of their BGMC funds on several large projects and ministries that benefit all missionaries in every country of this region. These projects are: Spanish Television and Radio, Christian Training Network, production of children's materials, RDM (this ministry produces Spanish materials for children, youth, and adults, including resources for pastors, churches, and Bible schools), Unsi3n TV (this ministry broadcasts TV programs all over Latin America).
