## Dear Boys & Girls:

Thank you so much for the help BGMC gave to help this, first ever, church planting school get off the ground in Burundi, Africa.

I was able to travel there to see how things were progressing.

With the help of the Tanzania Assemblies of God sending their teachers and BGMC providing mattresses, the 47 students from DRC (Democratic Republic of the Congo) and Burundi are getting trained.

They are so excited to be launched out in a few months to plant new churches.

Thank you,  
Nate Lashway  
Missionary to Africa
