

“Thank you! Thank you! Thank you!!”

Dear BGMC Kids and Leaders,

We have just acquired our photocopier that will help equip us for handing out evangelistic materials on our outreaches in the local townships, schools and other campaigns. This new addition will help us not only save money but also save lives!

You guys are awesome, and please tell the kids, “THANKS!” for us. They are the greatest, and we really appreciate them and all their hard work. They are saving lives each day we make a copy and it gets in the hands of the kids here in South Africa.

Thanks a million!

Ben and Theresa King, missionaries to South Africa
