Excellence Initiative

Attend and complete the:
JOHNNIE BARNES
Excellence in Leadership & Ministry Initiative

offered by the National Royal Rangers Ministry.

The **Excellence Initiative (EI)** will give you the tools you need to...

"READ" your environment. Leaders are creative and adapt their methods to match their ministry audience and context.

Adopt leadership habitudes® to deliver the "Ranger Experience" to boys, parents, and church leaders.

Get results. Experienced organizational leaders gain short-term successes and build long-term sustainability.

Question, Learn, Change (QLC). If you are goal oriented but are not sure what to measure to evaluate ministry effectiveness, the QLC will build excitement and fuel growth.

Every organizational Royal Rangers leader is encouraged to participate. Attending and completing the required projects will officially certify you as a trained organizational leader for 5 years.

You are encouraged to attend the (EI) as soon as possible; it is a requirement for completion of the final platinum tier.
