Paintball

REQUIREMENTS

Note: When engaged in paintball where one person is “marking” or aiming at another, it is important to be reminded of God’s perspective of human life. God views all human life as valuable. God’s command is clear: You shall not murder.

1. Read Genesis 1:26,27 and Luke 6:27–38 with your group and discuss God’s perspective on the importance and value of human life. Use the following questions to start your discussion.
 - a. How is human life different from the lives of animals?
 - b. Why is human life so important?
 - c. How should we treat our enemies?
 - d. How should God’s perspective of life be shown in your own life?
 - e. What are ways to celebrate and honor life?

2. Explain the following about paintball safety:
 - a. Importance of eye, ear, and mouth protection
 - b. Proper wearing and use of goggles while in a paintball setting
 - c. Appropriate clothing while playing paintball
 - d. Importance of throat, hand, and knee/elbow protection and the pros and cons of using these protections
 - e. Weather’s effect on paintballs and paintball equipment

3. Select a marker of your choice. Identify the following:
 - a. Safety features
 - b. Paintball caliber
 - c. Propellant
