A WORD FROM

Zoller

Warmest May greetings to our faithful partners!

This month our ministry focus is [Youth Alive](#). Youth Alive (YA) equips students to share the gospel as campus missionaries in America's 67,000 middle school, junior high, and high schools. YA also resources churches, through [Our Schools Matter](#), to serve and pray for their local schools, and provides entertaining and informative school assemblies through [The Seven Project](#), often paving the way for a separate, faith-based evening rally.

YA missionary Kevin shared this e-mail from Maggie, a Massachusetts high school student who started a Christian club at her school after Kevin spoke at her church: "Last week at the Bible Club, the room was filled with more than twenty youth and the presence of the Holy Spirit! The box of Bibles I bought is not enough and I wonder if the church could donate some? I am amazed at what God is doing and how fast He is working! And can you please pray for us?"

That about sums it up, doesn't it? God is working, and we need to be faithful and pray!
